Exhibit day classes are listed in this section. For exhibit requirements, the State Fair Syllabus will be used. 4-H Leaders have this information for projects they lead.

Judging will include evaluation of the exhibit and an interview with the exhibitor, as each member brings their exhibit to be judged according to the schedule. Those who are not present for interview will not be eligible for awards or premium money. Exception may be made only on advance written request from exhibitor and parent in case of hardship.

All ribbon premiums will be paid in Eads Shopping Bucks.

Premiums and ribbons for completed projects will be by place, ie Blue (1st), Red (2nd), White (3rd). First place award exhibits will be eligible for champion and reserve champion ribbons in each class. First place in each class will be eligible for competition at Colorado State Fair if awarded a blue ribbon. If the top exhibit is awarded a red ribbon, it is eligible for State Fair only on conditions established by the judge and Extension Office.

The 4-H Council will seek sponsorship of awards for each division as determined by the Extension Office. To be eligible for an award a project must have received first place and project champion.

All exhibits must be in place by 10:00 a.m. or immediately after interview and cannot be taken until after Fashion Revue and Awards Program.

An awards program will be held to recognize Exhibit Day winners following the evening Fashion Revue.

Foods and Cake Decorating 4-H project exhibits will be auctioned during the Fashion Revue and Awards Program. Consignment of an exhibit is optional, not required. Three percent of the sale price will go to the Kiowa County 4-H Scholarship fund, and the remainder to the member.

All exhibits receiving a State Fair Sticker (first place or champion in unit) should be in the County Extension Office by **Monday, August 9 by 4:30 pm**. Exhibits should be labeled with Name, Project, and County, and packed for handling and hauling.

Members' 4-H records may be either in pencil or ink or by typewriter or computer — your choice will not affect judging. Content is the consideration in judging.

LIVESTOCK SHOWMANSHIP  
"Round Robin"

Thursday, September 8, 2016  
3:00 p.m.

There will be a separate Round Robin for each division. Senior showman will show first, followed by Intermediate showman, and Junior showman will show last. Champion and Reserve Champion in each age division for each species will be eligible. In the case an exhibitor is eligible in more than one species, they must declare to the fair office by 2:00 p.m. on September 8th which species they will be showing. Third place exhibitors from that age division are then eligible to participate. During each show, two minutes will be allowed to show each species, with contestants changing animals at the end of one minute. Judges will score the fitting of each animal for their particular species. A score sheet will be used for the shows.

In case of a tie in total score, the fitting score will be used to break the tie. If fitting scores are tied, then the score for showing their own species will be used.
