

District VI Creative Cooks

This contest is open to all District VI 4-H members. The Creative Cooks Contest will open June 1, 2020 and close June 15, 2020. Awards will be announced following judging.

We will be following the Colorado State Fair contest rules and requirements as closely as possible. There will be a few alterations as we are holding this contest virtually.

Entries:

Each contestant will submit a short video highlighting their table display as they would at an in-person contest along with the dish they cooked and any other information they would like to share. They can submit up to 15 photos as well showing the steps taken while preparing the dish. Contestants are required to submit the recipe used for their competition dish. Contestants will be given two questions with their submission instructions. Contestants should answer these two questions during their video.

During in-person contests there is the opportunity for teams. If siblings living in the same household would like to compete as a team this will be allowed. Teams comprising of members not living in the same household will not be permitted due to social distancing guidelines and the stay at home order.

Best of Beef:

The Southeast Colorado Cattlewomen sponsor an award the dish that best showcases and uses beef the best.

Entry Submission:

Please follow the link below to register to receive instructions on how to submit your entry.
