Project Expense and Income/Value

*Expenses: **Juniors only**, figure the cost of the specific materials used for your final exhibit item. You can add a more specific name. **Intermediates/Seniors**, list items **purchased** this year for your project, such as tools, materials, consumables, etc. (More pages can be added if needed.)*

Item	Project Expenses
	\$
	\$
	\$
	\$
	\$
	\$
	\$
	\$
	\$
	\$
TOTALS	\$

*Income or Value: **Intermediates/Seniors Only** 1. Record the value of your exhibit item by comparing it to a similar item you could buy. 2. Record the amount of money you received for any items you **sold** as Income.*

Item	Income or Value

TOTALS	\$

Return on Investment

Intermediate and Senior Members

Every day we make decisions about where to spend our time and money and what activities we want to continue. Ask yourself: How did I benefit from this project? What knowledge and skills did I gain from the project? Did I enjoy it? Was it worth the expense? Could I spend money more wisely the next time? Is it worth doing again? Do I want to learn more?

1. What knowledge and skills did you learn that you can use again?

2. How could you use your new skills to save money or to make money?

3. If you made a product to sell, how would you decide a price for your product?

4-H Metalworking Information

TOOLS USED in Metalworking

IMPORTANT: Always use proper personal protective equipment (PPE) when using tools including: safety glasses, gloves, welding helmet, long sleeve shirt, long pants, closed toe shoes and hearing protection. Be aware of your work surroundings and any flammable or hazardous materials.

Items Made in This Unit

Items Made	Source of Plans for Items Made			Shape of Metal Used	Name of Joints Used	Welding Process Used	Tools Used
	Own	Manual	Other				
<i>Example:</i> Horseshoe Coat Rack	X			Horseshoes	Butt	SMAW	Cut off saw, grinder, tape measure, chipping hammer

PROJECT DESIGN and MATERIAL LIST

Below, make a drawing or attach a copy of the plans used for the project exhibited. The drawing or plan must: **be one dimensional, show three (3) views (the front, one side and the top), have a list of materials used and materials' weight. If altering an existing plan, describe any changes in the plan specifications with reasons for the changes.** Additional pages of the plans or drawings can be attached.

<u>Materials List</u>	<u>Materials Weight</u>

Photographs from your 4-H Project

A minimum of twelve (12) pictures with a descriptive caption for each is required. Additional photos can be added. Pictures must be project-specific.

- *Four (4) photos of the prep work (cutting, torching, bending, fitting, drilling, etc.)*
- *Four (4) photos of welds on the project (individual welds)*
- *Four (4) photos of finished project (front view, side view, top view, best overall view)*
- *Pictures must be a minimum of 3 inches by 5 inches in size.*

SAMPLE PICTURE SIZE

3 inches x 5 inches

Minimum

4-H Story

Length and Format Guidelines

You can type or hand-write your story. If you hand-write the story, use pencil or ink on lined white notebook paper.

If a computer is used to write the story, use plain white paper with no smaller than 12-point font.

Leave wide enough margins so the story can be read if inserted into a report cover.

Limit your story to a maximum of two (2) pages.

Story can be single or double-spaced as long as it does not exceed two pages.

Younger members may want to double-space their story so you can see what you are writing.

Be sure to use proper grammar and sentence structure.

Edit your story when finished. Check your spelling.

Have someone else read your story.

The following questions may help you in composing a story specifically related to your project:

Why did you choose this project?

What goals did you set and which ones did you reach?

What are your 4-H goals for next year?

What would you do differently if you were to try it again?

What skills have you learned in the program?

Have your projects grown in size and scope?

Were any adults or other 4-H members especially helpful to you? How?

Has 4-H helped you become a better leader and citizen?

What has being a 4-H member meant to you?
